Sheep are really cool creatures some sheep are raised for their wool. Baby sheep are called lambs, when a lamb gets a hair cut or on the farm when a lamb gets sheared the hair is called wool and the wool is turned into yarn. We use yarn to make scarves hats sweaters and other clothes.

Lamb little lamb Mary had a lamb, lamb little lamb, Mary had a lamb little lamb

Mary had a little lamb fleece was white as snow everywhere that Mary went

Mary had a little lamb his fleece was white as snow and every where that Mary went the lamb was sure to go 2x's

Lambs will drink there mothers milk until they are around 4 months old, they begin nibbling grass , grains and hay of grass hay starting at two weeks of age, lambs can be bottle feed if there mothers can't feed them.

Mary had a little lamb fleece was white as snow everywhere that Mary went

In this nursery rhyme we say the lambs fleece is white as snow Fleece is the coat of hair being cut or as they say on the farmed sheared, after the lamb is sheared then the fleece is turned into yarn, sweaters, hats and other clothes
